The registration activity, which coincided with a three-day stamp exhibit to celebrate the anniversary, was held at the Music Hall in SM Mall of Asia, Pasay.

“We are happy to celebrate with PHLPost through this collaboration, which is part of PSA’s drive to work with different government agencies to extend PhilSys registration to more Filipinos. This is important for us as PHLPost has been and continue to be a close partner in delivering PhilIDs to Filipinos nationwide,” shared PSA Undersecretary Claire Dennis S. Mapa, PhD, National Statistician and Civil Registrar General.

Albert Paul Arizona from Manila, who registered to PhilSys during the 256th Philippine Postal Service Founding Anniversary celebration, attests to the fast and easy PhilSys registration process.

Meanwhile, Albert Paul M. Arizona, 51, a resident of Manila, was also surprised at how convenient it had been for him.

“Right now, very fast ang [pag-register sa PhilSys]. Napakadali [at] walang problema,” he said.

Arizona also encouraged fellow Filipinos to register with PhilSys, highlighting its advantages.

“For every government transaction [where] you have to present a valid government ID, ito na ‘yung pinaka-ID na pwede mo i-present, pati rin sa private [establishments], lalo na sa bangko,” he shared. *“[Mag-register] na po kayo. Napakadali naman at napakarami nilang [registration] centers.”*

As of 17 November 2023, a total of 81,988,183 Filipinos have registered to PhilSys.
