The PSA wishes to clarify that being registered to PhilSys and/or having the national ID does not automatically make an individual eligible to receive any cash benefits from the government such as social protection programs.

While the PhilID or ePhilID is presented as valid proof of identity in various transactions, including applying for benefits from the government, such benefits are granted based on the rules and regulations of the concerned agency.

The PSA reminds the public to remain vigilant about misleading information on PhilSys in social media and to avoid clicking suspicious links and providing personal information in exchange for cash.

For any information regarding individuals or groups involved in such activities, we encourage the public to report to the the official channels of PhilSys: (1) **PhilSys hotline 1388**; (2) **email at [info@philsys.gov.ph](mailto:info@philsys.gov.ph)**; and (3) **Facebook at [facebook.com/PSAPhilSysOfficial](https://facebook.com/PSAPhilSysOfficial)**.
